Mr. Victor Borge
Field Point Park
Greenwich, Connecticut

My dear Victor:

How long it seems since we made music together in Los Angeles and met again at the Tivoli in Copenhagen! My reason for writing you is that a book of mine is about to be published by David McKay in New York. It deals with my career and the music world in general, and Yehudi Menuhin has written a brilliant foreword to it. I would be grateful and proud if you would consent to look at the galleys, and if you like what you read, give us a few lines of comment that could be used in our publicity.

With warmest greetings,

Yours ever,

Henri Temianka
